Experience

Product Designer - Nova

August 2021 - Present

Created interaction strategies that helped, develop navigation and flow. Designed user experience and user interface for 3 SaaS applications.

UI/UX Designer - New India Co-Operative Bank

March 2019 - March 2022

I designed all the user experience, visual design, and user interface which includes the net banking web and mobile application.

Product Designer - Aigneurs Francais

Jan 2020 - Feb 2021

I was the only designer at Aigneurs Francais. I helped them with the branding, SaaS product UI/UX design (Mobile app + Web app), and designed and developed the company's website.

UI/UX Designer - Vitti Markets

Jan 2019 - March 2019

Designed a useful and elegant digital experience for mobile application. Which will keep you updated with your favorite investor's portfolio.

Product Designer - Honk

August 2018 - Dec 2018

Created functional prototype & UI designs for mobile applications.

Designer - Freelance projects

June 2016 - July 2018

Serving clients all over the world with branding, website designs, and marketing materials such as creatives, packages, prints, etc.
